### Earn High Margins

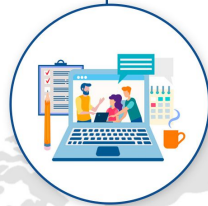

## WE TURN YOU INTO A ONE-STOP SHOP

Cebod Telecom offers everything a business needs. Equipment, robust technical support, and all-inclusive PBX features to support our partners in becoming full-service phone system providers.

### White Label Providers

Cebod Telecom's white label solution invites you to sell our cloud-based phone service under your brand name which gives you the flexibility to dictate your own price, get everything you need to build your brand's value and customer loyalty.

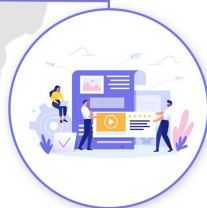

### Affiliates

Cebod Telecom Affiliate Program is easy, fast, and free to join. All you have to do is refer customers to us. Once they sign up for our services, you'll earn a lucrative commission. Best of all, our dedicated support team will be there to help you navigate your way to success.

### Agents

Agents are Cebod Telecom partners offering our services to their clients. Our agent program makes it easy for you to add customers and manage their accounts. We empower you to sell our services and earn high commission.

## It's Not Only a Partner Program, It's Your Business Program

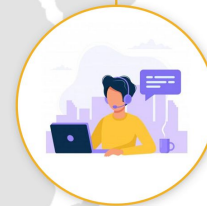

### Application Developers

We want to be your partners as well as co-creators. If you feel that a particular VoIP integration would appeal to your customers, we would love to make it a part of our organization. Our APIs allow developers to build custom apps and add features to enhance business productivity.

### Semi White Label Providers (Gray Label)

Reap the benefits of the white label without the responsibilities of owning a white label platform. This is a unique offer from Cebod Telecom. **Sell hosted business phone service under your brand name powered and managed by Cebod Telecom.**

**Set up your plans • Stay in control • Earn high profits**

**Explore Revenue Opportunities  
with All-in-One Phone System Solution**
